

D.R.I.V.E.

Develop. Redistribute. Improve. Vault. Expose.

YOUR AMBITION. YOUR DETERMINATION. YOUR DRIVE.

Patriotic service comes in many forms and doesn't require a uniform. For those disqualified from military service through no fault of their own, D.R.I.V.E. (Develop. Redistribute. Improve. Vault. Expose.) provides a rewarding way to serve the nation that is both personally and professionally fulfilling and essential to national security.

D.R.I.V.E. places you into a mission-critical position within Air Force Civilian Service (AFCS), where you continue to play a crucial role in helping the Department of the Air Force (DAF) fulfill its national strategic objectives. The 170,000 civilian Airmen and Guardians of AFCS work shoulder to shoulder with active-duty, guard, and reserve members, filling essential roles in support of the world's most advanced air and space force.
