HOW IT WORKS

1. **GET CONNECTED**
When you receive your PCS orders, connect with the GMSC team or local Military & Family Readiness Center (M&FRC).

2. **SHARE YOUR TALENT**
Submit your two-page resume to the GMSC talent pool, highlighting your skills, education, and experience.

3. **WE HELP COORDINATE**
We take your two-page resume and deliver it directly to the Human Resources team at your new installation.

4. **DIRECT MATCHING**
Your new base matches your two-page resume with managers looking to hire.
